

Greetings! My name is Monika M. Bunch. I am currently the director and owner of The Playhouse Early Academy (often referred to as The Playhouse) an Early Childhood Development Center. My passion was always to teach and work with children in some capacity. Upon completion of college, I worked as a teacher for four years. I also worked as a More at Four teacher for eight years which is now known as NC Pre-K. In addition, to teaching I was an administrator for a childcare center for five years. During my lifetime I have volunteered as a Vacation Bible School teacher, youth mentor, and camp counselor. I am a devoted wife, a loving mother of two wonderful children, an auntie to a super niece, a sweet daughter, and lovable sister. I thank God for all the blessings he has bestowed upon my family and me. He is truly an awesome and almighty God! I must truly give Him all the praise.

In August 2010 I started The Playhouse in my home. That is how The Playhouse name was derived. After seven months of being in operation I became a licensed five-star family childcare home. Now, I am excited to do it again in a center! It is my goal to continue to provide high-quality childcare at affordable prices. My mission and drive are to ensure all children can experience high-quality care regardless of their economic background. I believe all children can be ready and prepared for school when they are given the necessary tools to make them successful! I am committed to preparing all children socially, emotionally, intellectually, and academically to an exceptional foundation. I believe what children learn through birth kindergarten lays a phenomenal foundation for learning!
